

GlobalStock — Project Report

Date: 2026-04-17

Status: In Development

Stack: Next.js 16 · React 19 · TypeScript · Tailwind CSS v4 · Bun

Git History — What Was Built

91d1d95 — Initial commit

Project scaffolded with Next.js App Router, TypeScript, Tailwind CSS v4, ESLint, Prettier, Husky git hooks, and lint-staged.

6bfe163 — Add logo and favicon

- Added `Logo.png` and `favicon.png` to `/public`
-

232f1df — Layout + Header

- Root layout (`src/app/layout.tsx`) set up with Geist font
 - **Header component** built:
 - Sticky top navigation with backdrop blur
 - Logo linked to home
 - Main nav: Accueil, Groupes Électrogènes, Solaire, Machines & Outillage Pro, Achat en Gros, Contact
 - Dropdown submenus on hover for each product category
 - Expandable search bar (closes on Escape key)
 - Right icons: Search, Wishlist, Cart (with badge), Account
 - Responsive: full nav on desktop, icon-only on mobile
-

c0813ee — HeroSection

- Full-viewport hero banner (`100vh - header`)
 - SVG clip-path with custom irregular polygon shape
 - Background image: `/public/HeroSection.png`
 - White centered title: "L'Énergie à Votre Service" with drop shadow
 - Next.js Image with `priority` for above-fold loading
-

2e85301 — CategoriesSection + FeaturesSection

FeaturesSection:

- 4 feature cards with Phosphor icons (Globe, Truck, Headset, ShieldCheck)
- Value props: Livraison France & Europe, Expédition 5j, Support 6j/7, Garantie 2ans

- Abstract SVG blob backgrounds on each card
- Bottom split: product image left + text card right with two CTA buttons

CategoriesSection:

- Asymmetric 12-column desktop grid:
 - Groupes Électrogènes — large card with product image
 - Machines & Outillage Pro — tall double-row card
 - Solutions Solaires — standard card
 - Achat en Gros (Tarifs Pro) — primary gradient background card
 - Each card: badge with product count, title, sub-category list, "Voir tout" arrow link
-

8859c38 — ProductsSection

- Category filter tabs: Tous, Groupes Électrogènes, Outillage Pro, Solutions Solaires, Équipements
 - 3-column product grid (adaptive: 2-col tablet, 1-col mobile)
 - Product cards with:
 - Image area with discount badge and heart button
 - Primary-colored info footer with title, price, cart button
 - 6 products: generators and inverters with real product images
-

dcea0e7 — SuperSaleSection

- Flash sale promotion section
 - Left: large card with product title, "FIN DANS" badge, countdown timer (Days:Hours:Mins:Secs), original price struck through, sale price, "Acheter" CTA, product image layered in background
 - Right: 2 stacked image cards
 - Product featured: Tronçonneuse Daewoo DCS6524 (Lame 60 cm)
-

8859c38 — ProductsSection

Already covered above.

b3a89ab — BestSellingSection

- 4-column product grid of best-sellers
 - Each card:
 - Product image on light gray background
 - Discount badge (top-left), Heart + Cart icons (top-right)
 - Star rating (gold #f2a74c), title, current price, old price (strikethrough), delivery info
 - Hover scale effect (1.02×)
 - Bottom pagination: dots + left/right navigation arrows
 - Products: GE Diesel generators, HP pressure washers
-

9a323bb — TestimonialsSection + InspirationsSection

TestimonialsSection:

- Horizontal scrollable carousel with auto-centering active card
 - Each testimonial card:
 - Protruding customer photo (absolutely positioned, border)
 - 5-star rating
 - Quote text with decorative Quotes watermark
 - Customer name + role
 - Active card: primary navy background, white text, full opacity image
 - Inactive cards: white background, scaled to 0.95x, 60% opacity, grayscale-50
 - Pagination dots + prev/next arrows in header
-

abd9e0b — Footer + Layout Reorganization

Footer component:

- Dark navy background (primary color)
 - 12-column responsive grid
 - LogoWhite + company description + social icons (Facebook, Instagram, Twitter, LinkedIn)
 - Links columns: Quick Links, Categories, Contact Info
 - Contact: phone, WhatsApp, email, hours (6j/7 — 9h à 20h)
 - Bottom bar: copyright + legal links (Privacy, CGV, CGU)
-

38565ba — Color scheme refactor

- Replaced hardcoded color values across all components with the `primary` CSS variable
 - Ensured visual consistency across Header, Footer, all section components
-

0d18654 — LogoWhite + content updates

- Added `LogoWhite.png` for the Footer
 - Updated Header and Footer with real navigation links and content
 - Populated real text content across multiple sections
-

970ce1f — max-width consistency refactor

- Standardized `max-w-300` (1200px) container across all section components for consistent page width
-

d610118 — Real images integrated

- Added product images to `/public`:
 - `BestSellingSection/` — 4 product photos
 - `CategoriesSection/` — 3 category images
 - `ProductsSection/` — 6 product photos
 - `TestimonialsSection/` — 3 customer portrait photos
- Wired all images into their respective components replacing placeholders

AchatEnGrosSection (new component):

- Left: text content — heading "Achat en Gros & Tarifs Pro", description, "Demander un devis" CTA button
- Right: interactive product carousel:
 - Big main card (primary gradient, tall) showing the active product
 - Smaller secondary cards (scrollable) for the other products
 - Clicking a secondary card makes it the active main
 - Pagination dots + prev/next arrows
- 3 wholesale products with images added to [AchatEnGrosSection/](#)

Additional layout polish across BestSelling, Features, SuperSale, and Testimonials sections.

End-of-Day Status
